

ASIA PACIFIC PAY-TV & BROADBAND MARKETS **2015**

The Authoritative Guide to the Future of Broadband Digital Content, Distribution & Technology in Asia

Media Partners Asia or MPA, founded by its two shareholders Vivek Couto and Rupert Wilkinson in Hong Kong in March 2001, is more than just a company. We are passionately committed to the analysis of the media and communications industries in Asia Pacific - its business, markets and people. Our own people, based in Hong Kong, Singapore and Mumbai, carry this passion and commitment in everything we do across research, consulting, conferences, publishing and digital. Our clients are local, regional and global with representation across the ecosystem including media owners and distributors, policy makers, technology and finance. Our main business verticals include:

MPA Research. MPA analysts cover nine different sectors within the media and communication space with market expertise stretching across 19 territories in Asia, combined with perspectives on international geographies. MPA regularly provides detailed, reliable and accurate analysis of media & telecoms industries in Asia Pacific. Key annual, bi-monthly and quarterly reports include: *ASIA PACIFIC PAY-TV & BROADBAND MARKETS*; *ASIA PACIFIC ONLINE VIDEO DISTRIBUTION*; *ASIA PACIFIC ADVERTISING TRENDS*; *MEDIA ROUTE 26 INDIA*; and *THE ROUTE*.

MPA Consulting. MPA provides a range of consulting services, including corporate strategy, customized research and M&A related due diligence to a wide range of clients with strong teams equipped with decades of industry expertise and local market engagement. MPA provides dedicated and customized consulting to a wide range of players across the media & telecoms ecosystem including content owners, broadcasters, media distributors, telecom platforms, technology suppliers, policymakers, strategic & financial investors, legal institutions and more. Our team of consultants and analysts is equipped with decades of industry expertise and local market engagement. Consulting services include: (1) Benchmarking companies, competitors and industry segments; (2) Commercial & technical due diligence services for M&A transactions; (3) Customized market research; (4) Corporate strategy; (5) Consumer research; (5) Fair market appraisals & independent valuations; and (6) Independent media consultant (IMC) research for initial public offerings (IPOs) and all equity & debt transactions.

Media Business Asia (MBA). MPA's digital media platform Media Business Asia (MBA: www.mediabusinessasia.com) is the leading platform for insight, analysis and news of Asia's video industries, tracking companies, markets, people and trends with stories, features, analysis and videos.

Asia Pacific Pay-TV Operators Summit (APOS). APOS is MPA's annual video industry summit, a catalyst for dynamic conversations, deals and partnerships amongst industry stakeholders. APOS focuses on the commercial creation and distribution of content and related services across multiple screens and networks. The event unites local and global leaders from video & broadband distribution, broadcasting and content creation, finance, technology and regulation.

India Digital Operators Summit (IDOS). With a wide range of speakers across the value chain in India and from key international markets, IDOS provides clarity and depth to determine the key drivers and challenges ahead in India's race to digitalize 150 million-plus television households. Organized in partnership with Indian Television Dot Com.
